**Subject:** Proposed Meeting with MIMC/Waste Management on San Jacinto

Al Axe proposed the following dates for a meeting with Carl on San Jacinto: April 5, preferably morning, but afternoon possible; and if April 5 doesn’t work, the afternoon of April 4. The persons planning on attending from their side are their project coordinator, Dave Morera (sp.?), his supervisor and Tony Beck, their communications person. Please let me know if any of those times work. Thanks.
